Euro Medium Term Note Programme

Commonwealth Bank of Australia ("CBA") and ASB Bank Limited ("ASB" and, together with CBA, the "Issuers") may from time to time issue Euro Medium Term Notes (the "Notes") in any form contemplated in "Conditions of the Notes" herein and as described in "Description of the Programme" herein.

The Notes will be issued from time to time to one or more of the Dealers specified on page 6 (each a "Dealer and together the "Dealers", which expression shall include any additional Dealers appointed under the Programme (as defined below) from time to time). The relevant Issuer may agree with any Dealer and The Law Debenture Trust Corporation p.l.c. (the "Trustee") as trustee for the holders of the Notes that Notes may be issued in a form not contemplated by the "Conditions of the Notes" herein, in which case supplementary listing particulars, if appropriate, will be published which will describe the effect of the agreement reached in relation to such Notes.

Application has been made to the Financial Services Authority acting in its capacity as the competent authority under the Financial Services and Markets Act 2000 (the "UK Listing Authority") for Notes to be issued for a period of 12 months from the date of this Programme Circular under this U.S.\$10,000,000,000 Euro Medium Term Note Programme (the "Programme") to be admitted to the official list maintained by the UK Listing Authority (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's market for listed securities. Admission to the Official List together with admission to the London Stock Exchange's market for listed securities will constitute official listing on the London Stock Exchange. Notice of the aggregate nominal amount of, interest (if any) payable in respect of, the issue price of, and any other terms and conditions not contained herein which are applicable to, each Series of Notes will be set forth in a pricing supplement (each a "Pricing Supplement") which, with respect to Notes to be admitted to the Official List and admitted to trading by the London Stock Exchange, will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of the Notes of such Series. Copies of each Pricing Supplement will be available (in the case of Notes to be admitted to the Official List and admitted to trading by the London Stock Exchange) from FT Business Research Centre, operated by FT Electronic Publishing, and (in the case of all Notes) from the specified office of the Agent for the Notes (as defined herein). Copies of this Programme Circular, which comprises the listing particulars approved by the UK Listing Authority as required by the Financial Services and Markets Act 2000 (the "FSMA") in relation to the Programme (the "Listing Particulars"), have been delivered for registration to the Registrar of Companies in England and Wales pursuant to section 83 of the FSMA.

This document is issued in replacement of a Programme Circular dated 26th September, 2001 and issued by CBA and accordingly supersedes that earlier Programme Circular. This does not affect any Notes issued by CBA prior to the date of this Programme Circular. Prior to acceding to this Programme, ASB had established a U.S.\$1,500,000,000 euro medium term note programme pursuant to a Programme Circular dated 20th April, 1998 and most recently updated on 15th November, 2001 (the "ASB Programme"). Following its accession to this Programme, no further notes will be issued by ASB under the ASB Programme. The accession of ASB to this Programme does not affect any notes issued by ASB under the ASB Programme.

Each Issuer will provide, without charge, to each person to whom a copy of this Programme Circular has been delivered, upon the written request of any such person, a copy of any or all of the documents which, or portions of which, are or are deemed to be incorporated herein by reference, provided that any Pricing Supplement relating to Notes which are not admitted to the Official List will only be made available to persons who demonstrate to the satisfaction of the relevant Issuer that they are holders of the Notes to which such Pricing Supplement relates. Written requests for such documents should be directed to the relevant Issuer at its office set out at the end of this Programme Circular. Each Issuer has given an undertaking to the Dealers in connection with the admission of the Notes to the Official List and admission of the Notes to trading by the London Stock Exchange to the effect that if after preparation of the Listing Particulars and at any time during the duration of the Programme:

- (a) there is a significant change affecting any matter contained in the Listing Particulars whose inclusion was required by section 80 of the FSMA or by the listing rules made by the UK Listing Authority under that Act (the “Listing Rules”) or by the UK Listing Authority; or
- (b) a significant new matter arises the inclusion of information in respect of which would have been so required if it had arisen when the Listing Particulars were prepared,

the relevant Issuer shall give to the Authorised Adviser full information about such change or matter and shall publish supplementary listing particulars as may be required by the UK Listing Authority and approved by the Authorised Adviser and the UK Listing Authority and shall otherwise comply with sections 81 and 83 of the FSMA and the Listing Rules in that regard and shall supply to each Dealer such number of copies of the supplementary listing particulars as such Dealer may reasonably request.

Description of the Programme

Each Issuer may, from time to time, issue Notes admitted to the Official List and admitted to trading by the London Stock Exchange, Notes listed on any other stock exchange or securities market approved by the Trustee (such approval not to be unreasonably withheld) (together with Notes admitted to the Official List, "Listed Notes") and Notes not listed on any stock exchange ("Unlisted Notes").

Each Issuer may, from time to time, issue Notes in bearer and/or registered form denominated in U.S. dollars, euro, Yen, Sterling, Australian dollars, New Zealand dollars, Swiss Francs or such other currency as may be agreed with the relevant Dealer. Notes may be issued on a fully or partly paid basis and may provide that they will be redeemed in instalments.

The applicable terms of any Tranche of Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Conditions of the Notes endorsed on, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement attached to, or endorsed on, such Notes, as more fully described under "Form of the Notes".

Any Issuer may (with respect to itself only) terminate the arrangements for the issue of Notes under the Programme by giving not less than 30 days' written notice to the Dealers. Any Dealer may resign as a Dealer by (except in certain limited circumstances set out in the Programme Agreement) giving not less than 30 days' notice to the Issuers and the other Dealers.

Subject as set out below, this Programme Circular and any supplement hereto will only be valid for issuing Notes, including Notes admitted to the Official List and admitted to trading by the London Stock Exchange, of up to U.S.\$10,000,000,000 nominal amount outstanding at any one time, the U.S. dollar equivalent of the nominal amount of Notes denominated in currencies other than U.S. dollars being determined by reference to the Exchange Rate prevailing at the Agreement Date (each as defined in the penultimate paragraph of "Form of the Notes") and otherwise on the basis specified in "Form of the Notes".

Under the Programme Agreement the maximum nominal amount of Notes at any time permitted to be outstanding may be increased by CBA (on behalf of itself and ASB), subject to the satisfaction of certain conditions including the preparation of listing particulars.

Form of the Notes

The Notes of each Tranche in bearer form (“Bearer Notes”) will initially be represented by one or more temporary global Notes in bearer form without Coupons, Receipts or Talons (each as defined in “Conditions of the Notes”) which will be deposited on the issue date with a common depositary on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System (“Euroclear”) and Clearstream Banking, société anonyme (“Clearstream, Luxembourg”).

If an interest payment date for any Bearer Notes occurs whilst such Notes are represented by a temporary global Note, the related interest payment will be made through Euroclear and/or Clearstream, Luxembourg against presentation of the temporary global Note only to the extent that certification of non-U.S. beneficial ownership (in the form set out in the temporary global Note) has been received by Euroclear or Clearstream, Luxembourg. On or after the date (the “Exchange Date”) which is 40 days after the date on which the temporary global Note is issued, provided that certification of non-U.S. beneficial ownership has been received, interests in the temporary global Note will be exchanged either for (i) interests in a permanent global Note in bearer form or (ii), at the option of the relevant Issuer, Notes in definitive bearer form. No payments of interest will be made on a temporary global Note after the Exchange Date. Payments of principal, premium (if any) or interest (if any) on a permanent global Note will be made through Euroclear or Clearstream, Luxembourg against presentation or surrender, as the case may be, of the permanent global Note without any requirement for certification of non-U.S. beneficial ownership. The applicable Pricing Supplement will specify whether a permanent global Note will be exchangeable in whole or (subject to the Notes which continue to be represented by the permanent global Note being regarded by Euroclear and Clearstream, Luxembourg as fungible with any definitive Notes issued in partial exchange for such permanent global Note) (i) upon at least 45 days’ written notice expiring at least 30 days after the Exchange Date from the holders of interests in the permanent global Note or (ii) in part for security-printed definitive Bearer Notes only upon the occurrence of an Exchange Event. For these purposes, “Exchange Event” means that (i) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available or (ii) the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the permanent global Note to be in definitive form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 16 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such permanent global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Agent. At present, neither Euroclear nor Clearstream, Luxembourg regard Notes in global form as fungible with Notes in definitive form. Temporary and permanent global Notes and definitive Bearer Notes will be issued by the Agent acting on behalf of the relevant Issuer.

The Notes of each Tranche in registered form (“Registered Notes”) will either (i) initially be represented by one or more temporary global Notes in bearer form which will be deposited with a common depositary for Euroclear and Clearstream, Luxembourg and will be exchangeable for definitive Registered Notes in whole or in part upon not less than 30 days’ written notice or (ii) be issued in definitive registered form.

The following legend will appear on all Bearer Notes and Coupons: “Any United States person (as defined in the United States Internal Revenue Code) who holds this obligation will be subject to limitations under the United States income tax laws including the limitations provided in sections 165(j) and 1287(a) of such Code.”

For so long as any of the Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error)

shall be treated by the relevant Issuer, the Trustee, any Paying Agent and any Transfer Agent as the holder of such nominal amount of Notes for all purposes other than with respect to payments on the Notes for which purpose the bearer of the relevant global Note shall be treated by the relevant Issuer, the Trustee and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note and the Trust Deed and the terms “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly. Notes held in Euroclear and/or Clearstream, Luxembourg and which are represented by a global Note will only be transferable, and payment in respect of them will only be made, in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearance system agreed between the relevant Issuer, the Agent, the Trustee and the relevant Dealer.

The Issuer accepts responsibility for the information contained in this Pricing Supplement.

Signed on behalf of the Issuer:

Duly authorised

For the purpose of calculating the U.S. dollar equivalent of the nominal amount of Notes outstanding under the Programme from time to time, (i) Zero Coupon Notes, Low Interest (discount) Notes and High Interest (premium) Notes will be included in such nominal amount by reference to the net proceeds received by the relevant Issuer for the relevant issue, (ii) Dual Currency Notes and Index Linked Notes shall be included in such nominal amount by reference to the original nominal amount of the relevant issue, (iii) the nominal amount of Partly-Paid Notes will be taken into account regardless of the amount of the subscription price paid and (iv) the U.S. dollar equivalent of Notes denominated in another Specified Currency shall be determined as of the date of agreement to issue such Notes (the "Agreement Date") on the basis of the Exchange Rate on such date. As used in this paragraph, the "Exchange Rate" against U.S. dollars for any currency means the spot rate for the sale of U.S. dollars against the purchase of such currency in the London foreign exchange market on the Agreement Date quoted by any leading bank selected by the relevant Issuer and approved by the Trustee.

If, other than in connection with an issue of Subordinated Notes, the Pricing Supplement relating to a specific issue specifies any modifications to the Conditions of the Notes as described below, it is envisaged that, to the extent that such modifications (not being significant for the purposes of section 81 of the Financial Services and Markets Act 2000) relate only to Conditions 1, 2, 5, 6 (except Condition 6(b)), 7, 14, 15 and 17, they will not necessitate the preparation of supplementary listing particulars. Subject as provided above, if the Conditions of the Notes are to be modified in any other respect, it is envisaged that supplementary listing particulars or, if appropriate, further listing particulars describing the modifications will be prepared.

Conditions of the Notes

The following are the Conditions of the Notes which (subject to amendment) will be incorporated by reference into each global Note and will be endorsed upon each definitive Note provided that the applicable Pricing Supplement in relation to any Note may specify other conditions which shall, to the extent so specified or to the extent inconsistent with the following Conditions, replace or modify the following Conditions for the purpose of such Note. The applicable Pricing Supplement will be endorsed upon, or attached to, each global Note and definitive Note.

This Note is one of a Series of Euro Medium Term Notes (all of the Euro Medium Term Notes from time to time issued by whichever of Commonwealth Bank of Australia (“CBA”) or ASB Bank Limited (“ASB” and, together with CBA, the “Issuers”) is specified as the Issuer in the applicable Pricing Supplement (as defined below) which are for the time being outstanding being hereinafter referred to as the “Notes”, which expression shall include (i) in relation to any Notes represented by a global Note, units of the lowest Specified Denomination in the Specified Currency of the relevant Notes, (ii) definitive Notes issued in exchange (or part exchange) for a global Note and (iii) any global Note) constituted by a Trust Deed dated 28th October, 1992 (as modified and/or restated from time to time, the “Trust Deed”) and most recently made between the Issuers and The Law Debenture Trust Corporation p.l.c. (the “Trustee” which expression shall, wherever the context so admits, include such company and all other persons or companies for the time being trustee or trustees for the holders of the Notes) as trustee for the holders of the Notes (the “Noteholders”). Copies of the Trust Deed together with copies of the Amended and Restated Agency Agreement (the “Agency Agreement”) dated 26th September, 2002 and made between the Issuers, the Trustee, Deutsche Bank AG London as agent (the “Agent” which expression shall include any successor as agent), Deutsche Bank Luxembourg S.A. as registrar (the “Registrar” which expression shall include any successor as registrar) and the paying agents and transfer agents named therein (the “Paying Agents” and the “Transfer Agents”, which expressions shall include any additional or successor paying agents and transfer agents) are available for inspection at the registered office for the time being of the Trustee, being at the date hereof at Fifth Floor, 100 Wood Street, London EC2V 7EX, and at the specified office of each of the Paying Agents.

As used herein, “Series” means each original issue of Notes together with any further issues expressed to form a single series with the original issue and the terms of which (save for the Issue Date or Interest Commencement Date, as the case may be, the Issue Price and the amount of the first payment of interest (if any), all as indicated in the applicable Pricing Supplement) are otherwise identical (including whether or not they are listed) and shall be deemed to include the temporary and (where applicable) permanent global Notes and the definitive Notes of such issues and the expressions “Notes of this Series” and “holders of Notes of this Series” and related expressions shall be construed accordingly. As used herein, “Tranche” means all Notes of the same Series with the same Issue Date.

The applicable Pricing Supplement (which term, as used herein, means, in relation to this Note, the Pricing Supplement attached hereto or endorsed hereon) may specify other Conditions which shall, to the extent so specified or to the extent inconsistent with these Conditions, replace these Conditions for the purposes of this Note.

The Noteholders, the holders for the time being of the Receipts (as defined below) (the “Receiptholders”), the holders for the time being of the Coupons (as defined below) (the “Couponholders”) and the holders for the time being of the Talons (as defined below) (the “Talonholders”) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions relating to the Notes contained in the Trust Deed, the applicable Pricing Supplement and the Agency Agreement which are applicable to them. Words and expressions defined in the Trust Deed or defined or set out in the applicable Pricing Supplement shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated. Copies of the applicable Pricing Supplement are available for inspection by the holders of Notes of this Series at the office of the Agent set out at the end of these Conditions. The statements in these Conditions are summaries of the detailed provisions of the Trust Deed which provisions shall have precedence over these Conditions if there is any inconsistency.

1 Form, Denomination and Title

The Notes of this Series are Bearer Notes and/or Registered Notes as specified in the applicable Pricing Supplement and are in the Specified Currency and in the Specified Denomination(s). Definitive Notes of this Series (if issued) will be serially numbered. This Note is an Unsubordinated Note or a Subordinated Note as indicated in the applicable Pricing Supplement. This Note is also a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, a Low Interest (discount) Note, a High Interest (premium) Note or an Index Linked Interest Note or any appropriate combination thereof depending upon the Interest Basis specified in the applicable Pricing Supplement and is a Dual Currency Note, an Index Linked Redemption Note, an Instalment Note or a Partly-Paid Note, or a combination of any of the foregoing, depending on the Redemption/Payment Basis specified in the applicable Pricing Supplement. If this Note is a definitive Bearer Note, it is issued with Coupons for the payment of interest (“Coupons”) and, if applicable, Talons for further Coupons (“Talons”) attached, unless it is a Zero Coupon Note in which case references to interest (other than in relation to interest due after the Maturity Date) and Coupons or Talons in these Conditions are not applicable. If this Note is a definitive Bearer Note redeemable in instalments, it is issued with Receipts (“Receipts”) for the payment of instalments of principal prior to the final Maturity Date attached. Wherever Dual Currency Notes, Index Linked Notes, Low Interest (discount) Notes or High Interest (premium) Notes are issued to bear interest on a fixed or floating rate basis or on a non-interest-bearing basis, the provisions in these Conditions relating to Fixed Rate Notes, Floating Rate Notes and Zero Coupon Notes respectively shall, where the context so admits, apply to such Dual Currency Notes, Index Linked Notes, Low Interest (discount) Notes or High Interest (premium) Notes. In the case of Dual Currency Notes, references to the Specified Currency in relation to any payment or calculation of a payment are to the currency in which that payment is required to be made. This Note is also an Index Linked Note where payment in respect of principal (each an “Index Linked Redemption Note”) and/or interest (each an “Index Linked Interest Note”) is linked to an Index and/or a Formula, and the appropriate provisions of these Conditions will apply accordingly. References in these Conditions, except in this paragraph, Condition 7 and Condition 10, to Coupons or Couponholders shall be deemed to include references to Talons or Talonholders and Receipts or Receiptholders.

Subject as set out below, title to the definitive Bearer Notes and the Coupons will pass by delivery and title to the definitive Registered Notes will pass upon the registration of transfers in accordance with the provisions of the Agency Agreement and the Trust Deed. The holder of each Coupon, whether or not such Coupon is attached to a Bearer Note, in his capacity as such, shall be subject to, and bound by, all the provisions contained in the relevant Note. Subject as set out below, the Issuer, the Trustee, any Paying Agent and any Transfer Agent may (to the fullest extent permitted by applicable laws) deem and treat the bearer of any Bearer Note or Coupon and the registered holder of any Registered Note as the absolute owner thereof (whether or not such Note or Coupon shall be overdue and notwithstanding any notation of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any global Note, without prejudice to the provisions set out below.

For so long as any Notes are represented by a global Note held on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System (“Euroclear”) and/or Clearstream Banking société anonyme (“Clearstream, Luxembourg”), each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee and any Paying Agent as the holder of such nominal amount of Notes for all purposes other than with respect to payments on the Notes for which purpose the bearer of the relevant global Note shall be treated by the Issuer, the Trustee and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant global Note and the Trust Deed and the terms “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, except in the preceding paragraph and in Condition 16, wherever the context so permits, be deemed to include a reference to any additional or alternative clearance system approved by the Trustee and specified in the applicable Pricing Supplement.

Notes which are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg will only be transferable in accordance with the rules and procedures for the time being of Euroclear and/or Clearstream, Luxembourg, as the case may be.

2 Transfer and Exchange

- (a) A Registered Note may be transferred in whole or in part (in the nominal amount of the lowest Specified Denomination or any integral multiple thereof) by the deposit by the transferor of the Registered Note for registration of the transfer at the specified office of a Transfer Agent with the form of transfer endorsed on the Registered Note duly completed and executed by or on behalf of the transferor and upon the relevant Transfer Agent (after due and careful enquiry) being satisfied with the documents of title and the identity of the person making the request and subject to such reasonable regulations as the Issuer and the Registrar may (with the prior approval of the Trustee) prescribe. Subject as provided above, the relevant Transfer Agent will, within fourteen days of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), deliver at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request a new Registered Note of a like aggregate nominal amount to the Registered Note (or the relevant part of the Registered Note) transferred. In the case of the transfer of part only of a Registered Note, a new Registered Note in respect of the balance of the Registered Note not transferred will be so delivered or (at the risk of the transferor) sent to the transferor.
- (b) A definitive Bearer Note (provided that all unmatured Coupons appertaining to the definitive Bearer Note are attached) may, where the applicable Pricing Supplement so permits, be exchanged for a Registered Note of a like aggregate nominal amount by surrender of the definitive Bearer Note and Coupons to a Transfer Agent at its specified office, together with a written request for the exchange in the form for the time being available from the specified office of any Transfer Agent, provided that a definitive Bearer Note surrendered in exchange for a Registered Note after a Record Date (as defined in Condition 7(b)) and on or before the next following Interest Payment Date is not required to be surrendered with the Coupon maturing on the Interest Payment Date. Interest on a Registered Note issued on exchange will accrue as from that immediately preceding Interest Payment Date, except where issued in respect of a definitive Bearer Note surrendered after a Record Date and on or before the next following Interest Payment Date, in which event interest shall accrue as from the next following Interest Payment Date. Within fourteen days of the request, the relevant Transfer Agent will deliver at its specified office to the holder or (at the risk of the holder) send by mail to such address as may be specified by the holder in the request a Registered Note of a like aggregate nominal amount to the definitive Bearer Note exchanged.
- (c) No exchange of a Registered Note for a definitive Bearer Note will be permitted. Definitive Bearer Notes of one Specified Denomination may not be exchanged for definitive Bearer Notes of another Specified Denomination.
- (d) In the event of a partial redemption of Notes under Condition 6(c), the Issuer shall not be required:
- (i) to register the transfer of Registered Notes (or parts of Registered Notes) or to exchange definitive Bearer Notes for Registered Notes during the period beginning on the sixty-fifth day before the date of the partial redemption and ending on the day on which notice is given specifying the serial numbers of Notes called (in whole or in part) for redemption (both inclusive); or
 - (ii) to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption; or
 - (iii) to exchange any definitive Bearer Note called for partial redemption;
- except that a definitive Bearer Note called for partial redemption may be exchanged for a Registered Note which is simultaneously surrendered not later than the relevant Record Date.
- (e) Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer or any exchange as provided above, except for any costs or expenses of delivery other than at the specified office of a Transfer Agent or by regular mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration or exchange.

- (f) The names of the initial Registrar and other initial Transfer Agents and their initial specified offices in respect of this Series of Notes are set out at the end of these Conditions. The Issuer reserves the right, subject to the approval of the Trustee, at any time to vary or terminate the appointment of the Registrar or any other Transfer Agent and to appoint another Registrar or additional or other Transfer Agents provided that it will at all times maintain a Registrar and another Transfer Agent each having a specified office in a place approved by the Trustee which, in the case of the Registrar and so long as any Notes of this Series are admitted to the official list (the “Official List”) of the UK Listing Authority and to trading on the London Stock Exchange plc’s market for listed securities or on another stock exchange, shall be in London or such other place as may be required by that stock exchange. Notice of any termination or appointment and of any changes in specified offices will be given to the holders of the Notes of this Series promptly by the Issuer in accordance with Condition 16.

3 Status of the Notes and Subordination

(a) Status of the Unsubordinated Notes

If the Notes of this Series are Unsubordinated Notes, the Notes of this Series and the relative Coupons (if any) are direct, unconditional and unsecured obligations of the Issuer and rank without any preference or priority among themselves and *pari passu* with all other present and future unsecured and unsubordinated obligations (other than in respect of statutorily preferred creditors) of the Issuer subject to the provisions of the following paragraphs (if the Issuer is CBA) and of Condition 4.

If the Issuer is CBA, Section 13A(3) of the Banking Act 1959 of the Commonwealth of Australia provides that, in the event of a bank becoming unable to meet its obligations or suspending payment, the assets of the bank in Australia shall be available to meet its deposit liabilities in Australia in priority to all other liabilities of the bank.

If the Issuer is CBA, Section 16(2) of the Banking Act 1959 of the Commonwealth of Australia provides that, despite anything contained in any law relating to the winding up of companies, but subject to Section 13A(3) of the Banking Act 1959, the debts of a bank to the Australian Prudential Regulatory Authority (“APRA”) in respect of of APRA’s costs (including costs in the nature of remuneration and expenses) of being in control of a bank’s business or of having an administrator in control of a bank’s business have priority in a winding up of the bank over all other unsecured debts.

If the Issuer is CBA, Section 86 of the Reserve Bank Act 1959 of the Commonwealth of Australia provides that notwithstanding anything contained in any law relating to the winding up of companies, but subject to Section 13A(3) of the Banking Act 1959, debts due to the Reserve Bank of Australia by a bank shall, in the winding up, have priority over all other debts other than debts due to the Commonwealth of Australia.

(b) Status and Subordination of the Subordinated Notes

If the Notes of this Series are Subordinated Notes, the status and subordination of the Notes of this Series will be as set out in the applicable Pricing Supplement.

4 Negative Pledge

As long as any of the Notes of this Series or the relative Coupons (if any) remains outstanding (as defined in the Trust Deed) the Issuer will not create or have outstanding any mortgage, pledge or other charge, upon or with respect to, any of its present or future assets or revenues to secure repayment of, or to secure any guarantee or indemnity in respect of, any external indebtedness without, at the same time, according to the Notes of this Series the same security or such other security as shall in the opinion of the Trustee be not materially less beneficial to the interests of the holders of the Notes of this Series or as shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the holders of the Notes of this Series. For this purpose “external indebtedness” means any obligation for the repayment of borrowed money in the form of or represented by bonds, notes, debentures or other securities:

- (i) which are initially offered outside the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB) with the consent of the Issuer in an amount exceeding 50 per cent. of the aggregate nominal amount of the relevant issue; and
- (ii) which are, or are capable of being, quoted, listed or ordinarily traded on any stock exchange or on any recognised securities market.

5 Interest

(a) Interest on Fixed Rate Notes

- (1) Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly-Paid Note, the amount paid up) from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Pricing Supplement payable in arrear on the Interest Payment Date(s) specified in the applicable Pricing Supplement in each year and on the Maturity Date if that does not fall on an Interest Payment Date.

Except as provided in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on such date will amount to the Fixed Coupon Amount. Payment of interest on any Interest Payment Date will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified.

Interest will be paid subject to and in accordance with the provisions of Condition 7. Interest will cease to accrue on each Fixed Rate Note (or, in the case of the redemption of part only of a Fixed Rate Note, that part only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgment) until, but excluding, whichever is the earlier of (A) the day on which all sums due in respect of such Fixed Rate Note up to that day are received by or on behalf of the holder of such Fixed Rate Note and (B) the day which is seven days after the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date.

- (2) If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 5(a):

- (i) if “Actual/Actual (ISMA)” is specified in the applicable Pricing Supplement, the number of days in the relevant period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date divided by (x) in the case of Notes where interest is scheduled to be paid only by means of regular annual payments, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the next scheduled Interest Payment Date or (y) in the case of Notes where interest is scheduled to be paid other than only by means of regular annual payments, the product of the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the next scheduled Interest Payment Date and the number of Interest Payment Dates that would occur in one calendar year assuming interest was to be payable in respect of the whole of that year; and
- (ii) if “30/360” is specified in the applicable Pricing Supplement, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360.

In these Conditions:

“Fixed Interest Period” means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first, as the case may be) Interest Payment Date; and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) Interest on Floating Rate Notes and Index Linked Interest Notes

(1) *Interest Payment Dates*

Each Floating Rate Note and Index Linked Interest Note bears interest on its nominal amount from time to time outstanding (or, if it is a Partly-Paid Note, the amount paid up) from, and

including, the Issue Date (unless there is an Interest Commencement Date which is different from the Issue Date in which case the Floating Rate Note will bear interest from, and including, the Interest Commencement Date) and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) (each an “Interest Payment Date”) in each year specified in the applicable Pricing Supplement; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Issue Date or, as the case may be, the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Issue Date or, as the case may be, the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Pricing Supplement and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (i) in any case where Specified Periods are specified in accordance with Condition 5(b)(1)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Interest Interval after the preceding applicable Interest Payment Date occurred; or
- (ii) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (iii) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (iv) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

(2) *Interest Payments and Accrual*

Interest will be paid subject to and in accordance with the provisions of Condition 7. Interest will cease to accrue on each Floating Rate Note or Index Linked Interest Note (or, in the case of the redemption of part only of a Floating Rate Note or Index Linked Interest Note, that part only of such Note) on the due date for redemption thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused, in which event interest will continue to accrue (as well after as before any judgement) until, but excluding, whichever is the earlier of (A) the day on which all sums due in respect of such Floating Rate Note or Index Linked Interest Note up to that day are received by or on behalf of the holder of such Floating Rate Note or Index Linked Interest Note and (B) the day which is seven days after the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date.

(3) *Rate of Interest*

The Rate of Interest payable from time to time in respect of each Floating Rate Note and Index Linked Interest Note will be determined in the manner specified in the applicable Pricing Supplement.

(4) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period

specified in the applicable Pricing Supplement will be the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this Condition 5(b)(4), “ISDA Rate” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Pricing Supplement under an interest rate swap transaction if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes, (the “ISDA Definitions”) and under which:

- (A) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (B) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (C) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) for a currency or on the Euro-zone inter-bank offered rate (EURIBOR) for calculations of payments in euro, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Pricing Supplement.

For the purposes of this Condition 5(b)(4), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

When this Condition 5(b)(4) applies, in respect of each relevant Interest Period:

- (i) the Rate of Interest for such Interest Period will be the rate of interest determined by the Agent or other person specified in the applicable Pricing Supplement in accordance with this Condition 5(b)(4); and
- (ii) the Agent or other person specified in the applicable Pricing Supplement will be deemed to have discharged its obligations under Condition 5(b)(8) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this Condition 5(b)(4).

(5) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fourth decimal place, with 0.00005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (specified in the applicable Pricing Supplement) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Agent or other person specified in the applicable Pricing Supplement. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest rate, one only of such rates) and the lowest (or, if there is more than one such lowest rate, one only of such rates) shall be disregarded by the Agent or that other person for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (A) above, no such offered quotation appears or, in the case of (B) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph. Such provisions will apply to each Floating Rate Note where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(6) *Minimum and/or Maximum Rate of Interest*

If the applicable Pricing Supplement specifies a minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such minimum Rate of Interest. If the applicable Pricing Supplement specifies a maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such maximum Rate of Interest, the Rate of Interest for such Interest Period shall be the maximum Rate of Interest.

(7) *Business Day, Interest Determination Date and Relevant Screen Page*

(i) In this Condition, "Business Day" means a day which is both:

(A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre specified in the applicable Pricing Supplement; and

(B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the "TARGET System") is open.

(ii) In this Condition, "Interest Determination Date" has the meaning set out in the applicable Pricing Supplement.

(iii) In this Condition, "Relevant Screen Page" has the meaning set out in the applicable Pricing Supplement.

(8) *Determination of Rate of Interest and Calculation of Interest Amount*

The Agent, in the case of Floating Rate Notes, the Calculation Agent specified in the applicable Pricing Supplement, in the case of Index Linked Interest Notes, or other person specified in the applicable Pricing Supplement will, as soon as practicable after 11.00 a.m. (London time) (or, if different, such other time as is customary in the principal financial centre of the country of the Specified Currency) on each Interest Determination Date, determine the Rate of Interest and calculate the amount of interest payable in respect of each Specified Denomination (each an "Interest Amount") for the relevant Interest Period.

Each Interest Amount shall be calculated by applying the Rate of Interest to a Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"Day Count Fraction" means, in respect of the calculation of an amount of interest for any Interest Period:

(i) if "Actual/365" or "Actual/Actual" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

(ii) if "Actual/365 (Fixed)" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365;

(iii) if "Actual/365 (sterling)" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;

(iv) if "Actual/360" is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 360;

(v) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period

is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

The determination of the Rate of Interest and calculation of each Interest Amount by the Agent or other person specified in the applicable Pricing Supplement shall (in the absence of manifest error) be final and binding upon all parties.

- (9) *Notification of Rate of Interest and Interest Amount*

The Agent will cause the Rate of Interest and the Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Trustee and, in the case of Floating Rate Notes or Index Linked Interest Notes which are listed on a stock exchange, that stock exchange as soon as possible but in any event not later than the second Business Day after their determination and will cause notice of such information to be given to the holders of the Notes of this Series in accordance with Condition 16 not later than the fourth Business Day after their determination. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notification as aforesaid in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to any stock exchange on which the Notes affected thereby are for the time being listed.

- (10) *Determination or Calculation by Trustee*

If for any reason the Agent, the Calculation Agent or other person specified in the applicable Pricing Supplement does not at any time determine the Rate of Interest or calculate any Interest Amount as provided in this Condition, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition 5 but subject always to any minimum or maximum Rate of Interest specified in the applicable Pricing Supplement), it shall deem fair and reasonable in all the circumstances and/or, as the case may be, the Trustee shall calculate the Interest Amount in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent, the Calculation Agent or other person specified in the applicable Pricing Supplement.

- (11) *Notifications, etc. to be final*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition by the Agent, the Calculation Agent or the Trustee will (in the absence of default, bad faith or manifest error by them or any of their directors, officers, employees or agents) be binding on the Issuer, the Trustee, the Agent, the Calculation Agent, the Paying Agents and all holders of the Notes of this Series and Coupons relating thereto and (in the absence of any default, bad faith or manifest error as referred to above) no liability to the Issuer or the holders of the Notes of this Series and Coupons relating thereto shall attach to the Agent, the Calculation Agent or the Trustee in connection with the exercise or non-exercise by them of their powers, duties and discretions under this Condition.

- (c) *Zero Coupon Notes, Low Interest (discount) Notes and High Interest (premium) Notes*

Where a Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the Amortised Face Amount of such Note as determined in accordance with Condition 6(f). As from the Maturity Date any overdue principal of such Note shall bear interest at a rate per annum equal to the Amortisation Yield. Such interest shall continue to accrue (as well after as before any judgement) until whichever is the earlier of (A) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note and (B) the day which is seven days after the date on which

the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date. Unless otherwise specified in the applicable Pricing Supplement, such interest will be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed.

(d) Dual Currency Notes

In the case of Dual Currency Notes where the rate of interest falls to be determined by reference to the Rate of Exchange, the provisions for determining the rate of interest, accrual of interest, calculation of interest amounts, determination of interest payment dates and other relevant provisions shall be specified in the applicable Pricing Supplement and payment shall be made in accordance with Condition 7.

(e) Partly-Paid Notes

In the case of Partly-Paid Notes (other than Partly-Paid Notes which are Zero Coupon Notes) interest will accrue on the paid up nominal amount of such Notes and otherwise as indicated in the applicable Pricing Supplement.

6 Redemption and Purchase

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below, each Note of this Series will be redeemed at its Final Redemption Amount in the relevant Specified Currency on the Maturity Date (as specified in the applicable Pricing Supplement).

(b) Redemption for Tax Reasons

The Notes of this Series may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes and Index Linked Interest Notes) or on any Interest Payment Date (in the case of Floating Rate Notes and Index Linked Interest Notes), on giving not less than 30 nor more than 60 days' notice in accordance with Condition 16 (which notice shall be irrevocable), at the Early Redemption Amount provided in, or calculated in accordance with, paragraph (g) or (h) (as applicable) below, together with (if provided in such paragraphs) interest accrued up to, but excluding, the date fixed for redemption, if the Issuer satisfies the Trustee immediately prior to the giving of such notice that (i) it has or will become obliged to pay additional amounts as provided or referred to in Condition 9 or (ii) (if the Issuer is ASB) in order to reduce the applicable level of any New Zealand non-resident withholding tax (under current law or change of law) to zero, the Issuer becomes obliged to pay approved issuer levy at a rate exceeding the rate of the levy being charged at the date of issue of the Notes under section 86J of the Stamp and Cheque Duties Act 1971 of New Zealand or incurs any other cost in excess of that applicable under New Zealand law at the date of issue of the Notes, in each case as a result of any change in, or amendment to, the laws or regulations of the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB) or (in either case) a Taxing Jurisdiction (as defined in Condition 9) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including the manner of exercising any official discretion thereunder), which change or amendment becomes known generally or to the Issuer on or after the Issue Date (or, in the case of a second or subsequent Tranche of Notes of this Series, the Issue Date for the original Tranche) provided that no such notice of redemption shall be given in respect of the Notes of this Series earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts and, for the purpose only of determining the earliest date on which such notice may be given, it shall be deemed that a payment, in respect of which the Issuer would be obliged to pay such additional amounts, is due in respect of the Notes of this Series on the day on which any such change or amendment becomes effective.

(c) Redemption at the Option of the Issuer (Issuer Call)

If Issuer Call is specified in the applicable Pricing Supplement, the Issuer may, on any Optional Redemption Date specified in the applicable Pricing Supplement at its option, on giving not less than 30 nor more than 60 days' notice or such other notice period specified in the applicable Pricing Supplement to the holders of the Notes of this Series (which notice shall be irrevocable) in accordance with Condition 16, redeem all or from time to time some only of the Notes of this Series then outstanding on the relevant Optional Redemption Date and at the Optional

Redemption Amount indicated in the applicable Pricing Supplement together with (in the case of Fixed Rate Notes) interest accrued up to, but excluding, the relevant Optional Redemption Date. In the event of a redemption of some only of such Notes, such redemption must be for an amount being equal to the Minimum Redemption Amount or a Higher Redemption Amount (if any) specified in the applicable Pricing Supplement. In the case of a partial redemption of Notes, Notes to be redeemed will be selected individually by lot in such place as the Trustee may approve and in such manner as the Trustee shall deem to be appropriate and fair (without involving any part only of a Bearer Note) not less than 40 days prior to the date fixed for redemption. In the case of a partial redemption where some or all of the Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, such redemption with respect to those Notes will take place in accordance with the procedures of Euroclear and/or Clearstream, Luxembourg from time to time. Each notice of redemption will specify the date fixed for redemption and, in the case of a partial redemption, the aggregate nominal amount, and, where some or all of the Notes are in definitive form, the serial numbers, of the Notes to be redeemed and, in each case, the aggregate nominal amount of the Notes of this Series which will be outstanding after the partial redemption. In addition, in the case of a partial redemption of a Series of Notes which includes Registered Notes, the Issuer will publish an additional notice of redemption not less than 80 nor more than 95 days before the date fixed for redemption which notice will specify the period during which exchanges or transfers of Notes may not be made as provided in Condition 2.

(d) Redemption at the Option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Pricing Supplement, upon any Noteholder giving to the Issuer in accordance with Condition 16 not less than 30 nor more than 60 days' notice (the "notice period"), the Issuer will, upon the expiry of such notice redeem in whole (but not in part) the Notes the subject of the notice on the Optional Redemption Date and at the Optional Redemption Amount indicated in the applicable Pricing Supplement together with (in the case of Fixed Rate Notes) interest accrued up to, but excluding, the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form, and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) on any business day (as defined in Condition 7(h)) falling within the notice period a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or from the Registrar (a "Put Notice") and, in the case of a Put Notice in respect of Bearer Notes, in which the holder must specify a bank account outside Australia to which payment is to be made under this Condition. If this Note is in definitive form, the Put Notice must be accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depositary for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

A Put Notice or other notice given by a holder of any Note pursuant to this Condition 6(d), once delivered, shall be irrevocable and the Issuer shall redeem all Notes delivered therewith on the applicable redemption date.

(e) Pricing Supplement

The applicable Pricing Supplement indicates that either (1) this Note cannot be redeemed prior to its Maturity Date except as provided in paragraph (b) above) or (2) that this Note will be redeemable at the option of the Issuer and/or the holder of this Note prior to such Maturity Date in accordance with the provisions of paragraphs (c) and/or (d) above an Optional Redemption Date and at an Optional Redemption Amount and in any Minimum Redemption Amount or Higher Redemption Amount indicated therein or (3) that this Note will be redeemable in instalments and the relevant Instalment Amounts and Instalment Dates.

- (f) Zero Coupon Notes, Low Interest (discount) Notes and High Interest (premium) Notes
- (1) The amount payable in respect of any Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note upon redemption of such Note pursuant to paragraph (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 11 shall be the Amortised Face Amount (calculated as provided below) of such Note.
- (2) Subject to the provisions of sub-paragraph (3) below, the Amortised Face Amount of any Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note shall be the sum of (A) the sum of (i) the Reference Price and (ii) the aggregate amortisation of the difference between the Reference Price and the nominal amount of the Note from, and including, the Issue Date to, but excluding, the date on which the Note is redeemed or becomes due and repayable as provided in Condition 11 at a rate per annum (expressed as a percentage) equal to the Amortisation Yield compounded annually and (B) interest (if any) accrued but unpaid to, but excluding, the date on which the Note is redeemed or becomes due and repayable as provided in Condition 11. Unless otherwise specified in the applicable Pricing Supplement, where such calculation is to be made for a period other than a full year, it shall be made on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the actual number of days elapsed.
- (3) If the amount payable in respect of any Zero Coupon Note, Low Interest (discount) Note or High Interest (premium) Note upon redemption of such Note pursuant to paragraph (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 11 is not paid when due, the amount due and repayable in respect of such Note shall be the Amortised Face Amount of such Note calculated pursuant to sub-paragraph (2) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and repayable was replaced by a reference to the date (the "Reference Date") which is the earlier of (A) the date on which all sums due in respect of the Note up to that day are received by or on behalf of the holder thereof and (B) the date on which the Agent has notified the holder in accordance with Condition 16 that it has received all sums due in respect thereof up to that date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph will continue to be made, after as well as before judgment, until the Reference Date unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the nominal amount of such Note together with any interest which may accrue in accordance with Condition 5(c).
- (g) **Early Redemption Amounts**
For the purposes of paragraph (b) above and Condition 11, unless otherwise indicated in the applicable Pricing Supplement, Notes (other than Index Linked Redemption Notes and Dual Currency Notes) will be redeemed at their Early Redemption Amount, being (1) in the case of Fixed Rate Notes or Floating Rate Notes (other than Low Interest (discount) Notes and High Interest (premium) Notes) the Final Redemption Amount (2) in the case of Zero Coupon Notes, Low Interest (discount) Notes or High Interest (premium) Notes at the Amortised Face Amount of such Notes determined in accordance with paragraph (f) above, in each case in the relevant Specified Currency together with, in the case of Fixed Rate Notes redeemed pursuant to paragraph (b) above, interest accrued to, but excluding, the date fixed for redemption.
- (h) **Index Linked Redemption Notes and Dual Currency Notes**
In respect of an Index Linked Redemption Note or a Dual Currency Note where the amount payable in respect of principal upon redemption (the "Final Redemption Amount") falls to be determined by reference to the Index and/or the Formula or, as the case may be, the Rate of Exchange, the Final Redemption Amount shall be determined in accordance with the Index and/or the Formula or, as the case may be, the Rate of Exchange in the manner specified in the applicable Pricing Supplement and each such Index Linked Redemption Note or Dual Currency Note shall, unless previously redeemed or purchased and cancelled as provided below, be redeemed at the applicable Final Redemption Amount together, where relevant, with interest accrued to, but excluding, the date fixed for redemption on the Maturity Date. In respect of an Index Linked Redemption Note or a Dual Currency Note where the amount payable on an early redemption (including an early redemption pursuant to Condition 11) in respect of principal only, principal and interest or interest only (the "Early Redemption Amount") falls to be determined in whole or in part by reference to the Index and/or the Formula or, as the case may be, the Rate of Exchange, the Early Redemption Amount shall be calculated in accordance with the applicable

Pricing Supplement and shall be paid together with, in the case of a Fixed Rate Note where the Early Redemption Amount is calculated in respect of principal only, interest accrued to, but excluding, the date fixed for redemption.

(i) **Purchase and Cancellation**

The Issuer may (subject as provided below) at any time purchase Notes of this Series (provided that all unmatured Coupons appertaining to such Notes, if in definitive bearer form, are attached thereto or surrendered therewith) in any manner and at any price. If purchases are made by tender, tenders must be made available to all holders of Notes of this Series alike.

All Notes of this Series together, in the case of definitive Notes in bearer form, with all unmatured Coupons appertaining thereto, purchased by or on behalf of the Issuer (other than those purchased in the ordinary course of the business of dealing in securities) will be cancelled forthwith.

Partly-Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition as modified by the provisions of the applicable Pricing Supplement.

(k) **Instalments**

Each Note which is redeemable in instalments will be redeemed in the Instalment Amounts and on the Instalment Dates, in the case of all instalments other than the final instalment by (in the case of Bearer Notes in definitive form) surrender of the relevant Receipt (which must be presented with the Note to which it appertains) or by (in the case of Notes represented by a global Note) presentation and endorsement of the global Note, and (in the case of the final instalment) by surrender of the relevant Note, all in accordance with Condition 7.

7 Payments and Exchange of Talons

(a) **Payments in respect of definitive Bearer Notes**

(1) Payments of principal and interest (if any) in respect of definitive Bearer Notes (if issued) will (subject as provided below) be made against surrender (or, in the case of part payment only, presentation and endorsement) of definitive Bearer Notes, Receipts or Coupons (which expression, in this Condition and Condition 10, shall not include Receipts or Talons), as the case may be, at any specified office of any Paying Agent outside Australia.

(2) In the case of Bearer Notes in definitive form, payments of principal in respect of instalments (if any), other than the final instalment, will (subject as provided below) be made against surrender (or, in the case of part payment only, presentation and endorsement) of the relevant Receipt. Payment of the final instalment will be made against surrender (or, in the case of part payment only, presentation and endorsement) of the relevant definitive Bearer Note. Each Receipt must be presented for payment of such instalment together with the relevant definitive Bearer Note against which the amount will be payable in respect of that instalment. If any definitive Bearer Notes are redeemed or become repayable prior to the Maturity Date in respect thereof, principal will be payable on surrender of each such Note together with all unmatured Receipts appertaining thereto. Unmatured Receipts and Receipts presented without the definitive Bearer Notes to which they appertain do not constitute obligations of the Issuer.

(3) All payments of principal and interest with respect to definitive Bearer Notes will be made outside Australia and (except as otherwise provided in paragraph (d) below) the United States. Payments in any currency other than euro in respect of definitive Bearer Notes will (subject as provided below) be made by transfer to an account (in the case of payment in Yen to a non-resident of Japan, a non-resident account) in the Specified Currency maintained by the payee with a bank in the principal financial centre of the country of the Specified Currency (or, if the Specified Currency is Australian dollars, in London or another place outside Australia) provided that if at any time such payments cannot (in the opinion of the Trustee) be so made, then payments will be made outside Australia in such other manner as the Issuer may, with the prior written approval of the Trustee, determine and notify in accordance with Condition 16. Payments in euro in respect of definitive Bearer Notes will be made by transfer to a euro account outside Australia (or any other account outside Australia to which euro may be transferred) specified by the payee.

- (b) **Payments in respect of definitive Registered Notes**
Payments of principal in respect of definitive Registered Notes will (subject as provided in this Condition) be made against presentation and surrender of such Registered Notes at the specified office outside Australia of the Registrar by a cheque in the Specified Currency drawn on a bank in the principal financial centre of the country of the Specified Currency. Payments of interest in respect of definitive Registered Notes will (subject as provided in this Condition) be made by a cheque in the Specified Currency drawn on a bank in the principal financial centre of the country of the Specified Currency and posted on the business day in the city in which the Registrar has its specified office immediately preceding the relevant due date to the holder (or to the first named of joint holders) of the Registered Note appearing on the register at the close of business on the fifteenth day before the relevant due date (the "Record Date") at his address shown on the register on the Record Date. Upon application of the holder to the specified office of the Registrar not less than three business days in the city in which the Registrar has its specified office before the due date for any payment in respect of a Registered Note, the payment of principal and/or interest may be made (in the case of payment of principal against presentation and surrender of the relevant Registered Note as provided above) by transfer on the due date to an account in the Specified Currency maintained by the payee with a bank in the principal financial centre of the country of the Specified Currency subject to the provisions of the following two sentences. If the Specified Currency is Australian dollars, payment will be made (in the case of a transfer to a bank account) by transfer to an account in London or another place outside Australia and, if the Specified Currency is Yen, payment will be made (in the case of payment to a non-resident of Japan) by cheque drawn on, or by transfer to a non-resident account. If the Specified Currency is euro, payment will be made to a euro account outside Australia (or any other account outside Australia to which euro may be transferred), as the case may be, specified by the payee.
- (c) **Payments in respect of global Notes**
- (1) Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified in the relevant global Note against presentation and endorsement or surrender, as the case may be, of such global Note at the specified office of any Paying Agent outside Australia. A record of each payment made on such global Note, distinguishing between any payment of principal and interest, will be made on such global Note by the Paying Agent to which such global Note is presented for the purpose of making such payment, and such record shall (save in the case of manifest error) be conclusive evidence that the payment in question has been made.
- (2) The holder of a global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of Notes must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant global Note. Subject to Condition 12 and the Trust Deed, no person other than the holder of a global Note shall have any claim against the Issuer in respect of any payments due on that global Note.
- (d) **Payments of interest in U.S. dollars in respect of Bearer Notes**
Notwithstanding the foregoing, payments of interest in U.S. dollars in respect of Bearer Notes will only be made at the specified office of any Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) (1) if (A) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount of interest on the Bearer Notes in the manner provided above when due, (B) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (C) such payment is then permitted under United States law and (2) at the option of the relevant holder if such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

- (e) *[This paragraph is no longer applicable]*
- (f) Payments subject to applicable laws
Payments in respect of the Notes will be subject in all cases to any fiscal or other laws and regulations applicable thereto but without prejudice to the provisions of Condition 9.
- (g) Unmatured Receipts, Coupons and Talons
- (1) Fixed Rate Notes in definitive bearer form (other than Long Maturity Notes (as defined in subparagraph (2)), Index Linked Notes and Dual Currency Notes) should be presented for redemption together with all unmaturing Coupons (which expression shall include Coupons falling to be issued on exchange of Talons which will have matured on or before the relevant redemption date) appertaining thereto, failing which, the amounts of any missing unmaturing Coupons (or, in the case of payment of principal not being made in full, that proportion of the aggregate amount of such missing unmaturing Coupons that the sum of principal so paid bears to the total principal amount due) will be deducted from the sum due for payment. Any amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupons at any time in the period expiring 10 years after the Relevant Date (as defined in Condition 9) for the payment of such principal, whether or not such Coupon would otherwise have become void pursuant to Condition 10 or, if later, five years from the due date for payment of such Coupon. Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmaturing Receipts and Talons (if any) appertaining thereto will become void and no payments in respect of any such Receipts and no further Coupons in respect of any such Talons will be made or issued, as the case may be.
- (2) Upon the due date for redemption of any Floating Rate Note, Long Maturity Note, Dual Currency Note or Index Linked Note in definitive bearer form, any unmaturing Receipts, Coupons or Talons relating to such Note (whether or not attached) shall become void and no payment or exchange, as the case may be, shall be made in respect of them. Where any such Note is presented for redemption without all unmaturing Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require. A Long Maturity Note is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.
- (h) Payments due on non-business days
If any date for payment of principal in respect of any Registered Note or any amount in respect of any Bearer Note, Receipt or Coupon is not a business day, then the holder thereof shall not be entitled to payment at the place of presentation of the amount due until the next following business day and shall not be entitled to any interest or other sum in respect of any such postponed payment. In addition if any date for the payment of interest by transfer to an account specified by the holder in respect of any Registered Note is not a business day, then the holder shall not be entitled to payment to such account until the next following business day and shall not be entitled to any interest or other sum in respect of any such postponed payment. In this Condition "business day" means, subject as provided in the applicable Pricing Supplement:
 - (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation;
 - (B) London; and
 - (C) any Additional Financial Centre specified in the applicable Pricing Supplement; and
 - (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, London and any Additional Financial Centre) or (2) in relation to any sum payable in euro, a day on which the TARGET System is open.

(i) Payment of accrued interest

If the due date for redemption of any interest bearing Bearer Note in definitive form is not a due date for the payment of interest relating thereto, interest accrued in respect of such Note from, and including, the last preceding due date for the payment of interest (or, if none, from the Issue Date or, as the case may be, the Interest Commencement Date) will be paid only against surrender (or, in the case of part payment, presentation and endorsement) of such Note.

(j) Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Paying Agent in Luxembourg (or any other Paying Agent notified by the Issuer to the Noteholders in accordance with Condition 16 for the purposes of this paragraph) in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Bearer Note in definitive form to which it appertains) a further Talon, subject to the provisions of Condition 10. Each Talon shall, for the purposes of these Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the Coupon sheet in which that Talon was included on issue matures.

(k) Initial Paying Agents

The names of the initial Agent and the other initial Paying Agents and their initial specified offices in respect of this Series of Notes are set out below. The Issuer may at any time, with the approval of the Trustee, vary or terminate the appointment of any Paying Agent and appoint additional or other Paying Agents, provided that it will, so long as any of the Notes of this Series is outstanding, maintain (i) an Agent, (ii) a Paying Agent (which may be the Agent) having a specified office in a leading financial centre in Europe approved by the Trustee, (iii) so long as any Notes of this Series are admitted to the Official List and to trading on the London Stock Exchange plc's market for listed securities or on another stock exchange, a Paying Agent (which may be the Agent) having a specified office in London or other place as may be required by that stock exchange and (iv) if any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to such Directive is introduced, a Paying Agent (which may be the Agent) in a member state of the European Union that will not be obliged to withhold or deduct tax pursuant to any such Directive or law. In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in paragraph (d) of this Condition. Any such variation, termination or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 days' prior notice thereof shall have been given to the holders of the Notes of this Series in accordance with Condition 16 and provided further that neither the resignation nor the removal of the Agent shall take effect, except in the case of insolvency as aforesaid, until a new Agent approved by the Trustee has been appointed. Notice of any change in or addition to the Paying Agents or their specified offices will be given by the Issuer promptly in accordance with Condition 16.

8 *[This Condition is no longer applicable].*

9 **Taxation**

All payments of, or in respect of, principal and interest on the Notes of this Series will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature ("Taxes") imposed or levied by or on behalf of the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB) and (in either case) any Taxing Jurisdiction or any political sub-division thereof or any authority thereof or therein having power to tax unless such Taxes are required by law to be withheld or deducted. In that event, the Issuer will pay such additional amounts of, or in respect of, principal and/or interest as will result (after deduction of the Taxes) in payment to the holders of the Notes of this Series and/or the Coupons relating thereto of the amounts which would otherwise have been payable in respect of the Notes of this Series or, as the case may be, Coupons relating thereto, except that no such additional amounts shall be payable with respect to any Note of this Series or Coupon relating thereto presented for payment:

- (a) by or on behalf of a holder who is subject to such Taxes in respect of such Note or Coupon by reason of his being connected with the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB) and (in either case) a Taxing Jurisdiction other than by reason only of the holding of the Note or Coupon;
- (b) if the Issuer is CBA, by or on behalf of a holder who is an associate (as that term is defined in section 128F of the Income Tax Assessment Act 1936 of Australia (the “Australian Tax Act”) of the Issuer and the payment being sought is not, or will not be, exempt from interest withholding tax because of section 128F(6) of the Australian Tax Act;
- (c) if the Issuer is ASB, with respect to any withholding or deduction for or on account of New Zealand resident withholding tax;
- (d) if the Issuer is ASB, by or on behalf of a holder if such withholding or deduction may be avoided (and has not been so avoided) by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in New Zealand, unless such holder proves that he is not entitled so to comply or to make such declaration or claim;
- (e) more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment on the last day of such period of 30 days;
- (f) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (g) by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a member state of the European Union.

The “Relevant Date” in relation to any Note or Coupon of this Series means whichever is the later of:

- (i) the date on which payment in respect of such Note or Coupon first becomes due and payable; or
- (ii) if the full amount of the moneys payable in respect of such Note or Coupon has not been duly received by the Agent or the Trustee on or prior to such date, the date on which notice is duly given to the Noteholders of this Series in accordance with Condition 16 that such moneys have been so received.

The “Taxing Jurisdiction” in relation to any Note or Coupon of this Series means the jurisdiction, if any, named in the applicable Pricing Supplement as being the jurisdiction wherein the Issuer’s borrowing office is located for this Series of Notes if such borrowing office is not located in the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB).

References in these Conditions to principal and interest shall be deemed also to refer (as appropriate) (i) to any additional amounts which may be payable under this Condition 9 or under any obligation undertaken in addition hereto or in substitution herefor pursuant to the Trust Deed, (ii) in relation to Zero Coupon Notes, Low Interest (discount) Notes or High Interest (premium) Notes, to the Amortised Face Amount, (iii) in relation to Index Linked Redemption Notes, to the Final Redemption Amount or Early Redemption Amount, (iv) in relation to Dual Currency Notes, to the principal and interest in the relevant Specified Currency and (v) to any premium which may be payable in respect of the Notes.

If the Issuer is ASB, where used in the remaining provisions of this Condition, “Interest” means interest (as defined under New Zealand taxation legislation) for withholding tax purposes, which under current legislation includes the excess of the redemption amount over the issue price of any Note as well as coupon interest paid on such Note.

Under current New Zealand taxation law, ASB is required to deduct New Zealand non-resident withholding tax in the case of any payments of Interest to a holder of a Note or Coupon who is not a resident of New Zealand for income tax purposes and who is not engaged in business in New Zealand through a fixed establishment in New Zealand. However, ASB may, and intends to,

relieve itself of such obligation by using a procedure which permits borrowers such as ASB to reduce the applicable rate of non-resident withholding tax to zero per cent. That procedure involves ASB paying on its own account a levy to the New Zealand revenue authorities (which is currently equal to 2 per cent. of such payments of interest).

ASB is required by law to deduct New Zealand resident withholding tax from the payment of Interest to the holder of any Note, on any Interest Payment Date or the Maturity Date, if:

- (a) the holder is a resident of New Zealand for income tax purposes or the holder is engaged in business in New Zealand, through a fixed establishment in New Zealand (a “New Zealand Holder”); and
- (b) at the time of such payment the New Zealand Holder does not hold a valid certificate of exemption for New Zealand resident withholding tax purposes.

Prior to any Interest Payment Date or the Maturity Date, any New Zealand Holder:

- (a) must notify ASB that the New Zealand Holder is the holder of a Note; and
- (b) must notify ASB or any Paying Agent of any circumstances, and provide ASB or the relevant Paying Agent with any information, that may enable ASB to make the payment of Interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

The New Zealand Holder must notify ASB prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder’s circumstances from those previously notified that could affect ASB’s payment obligations in respect of this Note. By accepting payment of the full face amount of a Note or any Interest thereon on any Interest Payment Date or the Maturity Date, the New Zealand Holder undertakes to indemnify ASB for all purposes in respect of any liability ASB may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

Only a New Zealand Holder will be obliged to make the notification referred to above and no other holder will be required to make any certification that it is not a New Zealand Holder.

10 Prescription

Claims for payment of principal under the Notes (whether in bearer or registered form) shall be prescribed upon the expiry of 10 years, and claims for payment of interest (if any) in respect of the Notes (whether in bearer or registered form) shall be prescribed upon the expiry of five years, in each case from the Relevant Date (as defined in Condition 9) therefor subject to the provisions of Condition 7. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 7.

11 Events of Default

The Trustee at its discretion may, and if so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes of this Series then outstanding or if so directed by an Extraordinary Resolution shall, give notice to the Issuer (but, in the case of any of the events mentioned in paragraphs (ii), (iii), (iv) and (v) below only if the Trustee shall first have certified in writing that such event is, in its opinion, materially prejudicial to the interests of such Noteholders) that the Notes of this Series are, and they shall immediately become, due and repayable at the amount provided in, or calculated in accordance with, Condition 6(g) or 6(h) (as applicable), together with accrued interest as provided in the Trust Deed, if any of the following events (“Events of Default”) shall occur:

- (i) the Issuer fails to pay the principal of the Notes of this Series when due or fails to pay any interest due thereon within 14 days of the due date; or
- (ii) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Notes of this Series and the Trust Deed which default is incapable of remedy or which, if capable of remedy, is not, in the opinion of the Trustee, remedied within 30 days after notice of such default shall have been given to the Issuer by the Trustee; or
- (iii) (a) any other present or future indebtedness of the Issuer for or in respect of moneys borrowed or raised (not being moneys borrowed or raised in the ordinary course of business) becomes due and payable prior to its stated maturity as a result of a default by the Issuer; or

- (b) any such indebtedness is not paid when due or (as the case may be) within any applicable grace period therefor; or
 - (c) the Issuer fails to pay when due or expressed to be due any amount payable or expressed to be payable by it under any present or future guarantee or indemnity for any moneys borrowed or raised (not being a guarantee or indemnity given in the ordinary course of business); or
 - (d) any mortgage, charge, pledge or other encumbrance, present or future, created or assumed by the Issuer becomes enforceable and the holder thereof takes any steps to enforce the same; or
- (iv) the Issuer becomes insolvent or its debts are not paid as they mature or the Issuer applies for or consents to or suffers the appointment of a liquidator or receiver of the Issuer or the whole or any part of the undertaking, property, assets or revenues of the Issuer or takes any proceeding under any law for a readjustment or deferment of its obligations or any part thereof or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors; or
- (v) any law is passed the effect of which is to dissolve the Issuer or the Issuer ceases to carry on a general banking business in the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB) or the Issuer ceases to be authorised to carry on a general banking business within the Commonwealth of Australia (if the Issuer is CBA) or New Zealand (if the Issuer is ASB).

12 Enforcement of Rights

No holder of a Note or Coupon of this Series is entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

13 Meetings of Noteholders; Modifications of Conditions; Substitution; Waiver

The Trust Deed contains provisions for convening meetings of holders of the Notes of this Series to consider any matters affecting their interests, including modifications of the terms and conditions of the Notes of this Series and the Trust Deed. Any such modification must be authorised by an Extraordinary Resolution which is defined in the Trust Deed to mean a resolution passed by a majority consisting of not less than three-quarters of the votes cast at a meeting of the holders of the Notes of this Series duly convened and held. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in nominal amount of the Notes of this Series for the time being outstanding or, at any adjourned meeting, one or more persons being or representing the holders of the Notes of this Series whatever the nominal amount of Notes of this Series so held or represented; provided that at any meeting the business of which includes the modification of certain terms, including any reduction or cancellation of, or modification of the method of calculating, the amount payable in respect of the Notes of this Series, any modification of, or of the method of calculating, the date of payment of principal or interest in respect of the Notes of this Series or any modification of the currency of payment of the Notes of this Series or the Coupons relating thereto, the quorum will be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting, not less than one-third, in nominal amount of Notes of this Series for the time being outstanding. A resolution duly passed at a meeting of holders of the Notes of this Series shall be binding on all the holders of the Notes of this Series (whether present at the meeting or not) and on all the holders of Coupons relating thereto.

The Trustee may agree without the consent of the holders of the Notes of this Series or the holders of Coupons relating thereto to any modifications to the terms and conditions of the Notes of this Series or the Coupons relating thereto or to the provisions of the Trust Deed which in its opinion are of a formal, minor or technical nature, are made to correct a manifest error or (not being such a modification as is mentioned in the proviso to the third sentence of the preceding paragraph) are not materially prejudicial to the interests of the holders of the Notes of this Series.

The Trustee may also agree without the consent of the holders of the Notes of this Series or the holders of the Coupons relating thereto to the substitution of any other corporation in place of the Issuer as principal debtor under the Trust Deed, the Notes of this Series and the Coupons relating thereto, subject as provided in the Trust Deed.

The Trustee may without the consent of the holders of the Notes of this Series or the holders of Coupons relating thereto authorise or waive any breach or proposed breach by the Issuer of any of the provisions of the Trust Deed and/or the Notes of this Series or the Coupons relating thereto or determine that any act or omission which constitutes, or would or might on its own or together with any other act or omission constitute, an Event of Default which, in the opinion of the Trustee, is not materially prejudicial to the interests of the holders of the Notes of this Series shall, notwithstanding Condition 11, not be an Event of Default.

The Trustee shall, in connection with the exercise by it of any of the powers, trusts or discretions (including, without limitation, any modification, waiver, authorisation, determination or substitution) vested in it by the Trust Deed or these Conditions, have regard to the interests of the holders of the Notes of this Series or the holders of the Coupons relating thereto as a class and in particular, but without prejudice to the generality of the foregoing, shall not have regard to the consequences of the exercise of any of its powers, trusts or discretions for individual holders of the Notes of this Series or Coupons relating thereto, resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any holder of a Note of this Series or any holder of a Coupon relating thereto be entitled to claim, from the Issuer or any other person, any indemnification or payment in respect of any tax consequence of any such exercise upon individual holders of the Notes of this Series or Coupons relating thereto except to the extent already provided for in Condition 9 and/or any undertaking given in addition to, or in substitution for, Condition 9 pursuant to the Trust Deed.

14 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and/or any entity controlled by it without accounting for any profit resulting therefrom.

15 Replacement of Notes and Coupons

If any Note (including a global Note) or Coupon is mutilated, defaced, stolen, destroyed or lost, it may be replaced at the specified office of the Agent on payment by the claimant of such costs as may be incurred in connection therewith and on such terms as to evidence, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes or Coupons must be surrendered before replacement Notes or Coupons will be issued.

16 Notices

- (a) All notices regarding Registered Notes of this Series (if any) will be valid if mailed to the holders (or the first named of joint holders) at their respective addresses in the register of holders and will be deemed to have been given on the fourth weekday after the date of mailing.
- (b) All notices regarding the Bearer Notes of this Series (if any) will be valid if published in one leading London daily newspaper (which is expected to be the Financial Times) or, if this is not practicable, one other English language daily newspaper approved by the Trustee with general circulation in Europe and shall, if published more than once, be deemed to be given on the date of the first such publication. Holders of Coupons appertaining to Bearer Notes in definitive form of this Series will be deemed for all purposes to have notice of the contents of any notice given to the holders of the Bearer Notes of this Series in accordance with this paragraph (b).
- (c) Until such time as any definitive Notes are issued, there may, so long as all the global Notes for this Series are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted, in relation only to this Series, for such publication as aforesaid the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg, as appropriate, for communication by it or them to the holders of the Notes of this Series. Any such notice shall be deemed to have been given to the holders of the Notes of this Series on the third day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg, as the case may be.
- (d) Notwithstanding paragraph (b) of this Condition 16, in any case where the identity and addresses of all the holders of Bearer Notes in definitive form is known to the Issuer, notices to such holders may be given individually by recorded delivery mail to such addresses and will be deemed to have been given when received at such addresses.

- (e) Notices to be given to the Issuer by any holder of Notes under Condition 6(d) shall be in writing and given by lodging the same, together with the relative definitive Note or Notes, with the Agent. Whilst any Notes are represented by a global Note held on behalf of Euroclear and/or Clearstream, Luxembourg, such notices may be given by a holder of any Notes so represented to the Agent via Euroclear and/ or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg may approve for this purpose.

17 Further Issues

The Issuer shall be at liberty from time to time without the consent of the holders of the Notes of this Series or the Coupons (if any) relating thereto to create and issue further Notes ranking pari passu in all respects (or in all respects save for the Issue Date or Interest Commencement Date, as the case may be, the Issue Price and the amount of the first payment of interest (if any) on such further Notes) and so that the same shall be consolidated and form a single series with the outstanding Notes of a particular Series (including the Notes of this Series). The Trust Deed contains provisions for convening a single meeting of the holders of the Notes of this Series and the holders of Notes of other Series in certain circumstances where the Trustee so decides.

18 Disapplication of Contracts (Rights of Third Parties) Act 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of any Note but this does not affect any right or remedy of any person which exists or is available apart from that Act.

19 Governing Law

The Notes of this Series, the Coupons (if any) relating thereto and the Trust Deed are governed by, and will be construed in accordance with, English law and the Issuer has, in the Trust Deed, submitted to the jurisdiction of the courts of England and (where the Issuer is CBA) to the courts of the Commonwealth of Australia or (where the Issuer is ASB) New Zealand for all purposes in connection with the Notes of this Series, any Coupons relating thereto and the Trust Deed and the Issuer has appointed the General Manager, Europe from time to time of CBA located at its London branch (currently at Senator House, 85 Queen Victoria Street, London EC4V 4HA) to receive service of process in any action which may be instituted in England based on any of such Notes or Coupons or the Trust Deed.

The net proceeds of any issue of Notes will be used by each Issuer in its general operations.

Commonwealth Bank of Australia

Summary Information

Commonwealth Bank of Australia (the “Bank”) is a public company with a share capital of A\$12,655 million. The Bank is governed by its Constitution, the Corporations Law of Australia and the Australian Stock Exchange Limited Listing Rules and certain provisions of the Commonwealth Banks Act 1959 as amended (the “1959 Act”). Its headquarters are in Sydney, NSW, Australia. The Bank and its subsidiaries together provide a wide range of banking, financial and related services in Australia.

At 30th June, 2002, the Bank and its consolidated subsidiaries (the “Group”) had total assets of A\$249,648 million, deposits and other public borrowings of A\$132,800 million and total regulatory capital of A\$13,820 million. At the same date, the Group comprised the Bank and over 100 operating subsidiaries of the Bank. Operating profit after tax, abnormal items and outside equity interests for the twelve months to 30th June, 2002 was A\$2,655 million.

History and Recent Developments

The origins of the Bank lie in the former Commonwealth Bank of Australia which was established in 1911 by an Australian Act of Parliament to conduct commercial and savings banking business.

Its functions were later expanded to encompass those of a central bank. Subsequent legislative amendment in 1959 created a separate Reserve Bank of Australia to take over the central bank functions.

In December 1990, the Commonwealth Banks Restructuring Act 1990 was passed, which provided for:

- the conversion of the Bank into a public company with a share capital, governed by its then Memorandum and Articles of Association but subject to certain overriding provisions of the 1959 Act – this conversion occurred on 17th April, 1991;
- Commonwealth Bank of Australia to become the successor in law of the State Bank of Victoria – this occurred on 1st January, 1991; and
- the issue of shares in the Bank to the Australian public.

An offer of just under 30 per cent. of the issued shares in the Bank was made to members of the Australian public and staff of the Bank in July/August 1991, to strengthen the Bank’s capital base following its acquisition of State Bank of Victoria and to provide a sound foundation for further development of the Bank’s business. The offer closed on 14th August, 1991 and was fully subscribed.

In October 1993, the Australian Government sold a portion of the Commonwealth of Australia’s shareholding in the Bank, reducing its shareholding to 50.4 per cent. of the total number of issued voting shares.

In June/July 1996, the Australian Government made a public offer of its remaining 50.4 per cent. shareholding in the Bank. The offer was fully subscribed. In conjunction with this offer, the Bank, pursuant to a Buy-back Agreement between the Bank and the Commonwealth of Australia, agreed to buy back 100 million shares in the Bank from the Commonwealth of Australia. The public offer and buy-back were effected on 22nd July, 1996.

As part of its capital management programme, in December 1997 and March 1999 further buy-backs of approximately 38.1 million and 27.3 million shares respectively were undertaken. The Bank also successfully completed an off-market share buyback utilising a tender process in November 1999, buying back 2.2 per cent. of its ordinary shares for A\$553 million. In November 2000, an on-market buy-back programme resulted in the purchase of 0.8 million ordinary shares for A\$23.5 million and an off-market buy-back in March 2001 resulted in the purchase of 25.1 million ordinary shares for A\$700 million. This brings the total amount of capital the Bank has returned to shareholders since 1996 to A\$3.6 billion.

On 10th March, 2000, the Bank and Colonial Limited (“Colonial”) announced their intention to merge, with 7 Bank shares being offered for 20 Colonial shares. The merger received final approval from the Supreme Court of Victoria on 31st May, 2000 and was completed on 13th June, 2000.

On 22nd August, 2000, the Bank purchased the 25 per cent. minority interest in ASB Group in New Zealand for NZD560 million (A\$430 million). This gives the Bank a 100 per cent. interest in ASB Group.

The Bank became the successor in law to the State Bank of New South Wales (known as Colonial State Bank) and to all the assets and liabilities of State Bank of New South Wales effective on 4th June, 2001 pursuant to legislation.

In relation to the Commonwealth of Australia's guarantee of the Bank's liabilities, transitional arrangements for the phasing out of that guarantee commenced on 19th July, 1996.

Under these arrangements, section 117(1) of the 1959 Act provides for the Commonwealth of Australia to guarantee the due payment of the following amounts:

- (a) any amount that is payable by the Bank before the end of the day on 19th July, 1999 in respect of a demand deposit made with the Bank;
- (b) any amount that is payable by the Bank at any time in respect of a term deposit made with the Bank before the end of the day on 19th July, 1999; and
- (c) any amount that:
 - (i) is not in respect of a demand deposit or a term deposit; and
 - (ii) is payable by the Bank under a contract that was entered into, or any other instrument that was executed, issued, endorsed or accepted before 7.00 a.m. (Sydney time) on 19th July, 1996 by the Bank.

Accordingly, Notes issued from the date of this Programme Circular are not guaranteed by the Commonwealth of Australia.

The Bank has entered into separate agreements with the Commonwealth of Australia relating to the issues set out in (a), (b) and (c) above (the “Agreements”) which qualify the issues as Tier 1 capital.

The Agreements provide that, upon the occurrence of certain events listed below, the Bank may issue either fully paid ordinary shares to the Commonwealth of Australia or (with the consent of the Commonwealth of Australia) rights to all shareholders to subscribe for fully paid up ordinary shares up to an amount equal to the outstanding principal value of the relevant note issue or issues plus any interest paid in respect of the notes for the most recent financial year and accrued interest. The issue price of such shares will be determined by reference to the prevailing market price for the Bank’s shares.

Any one or more of the following events may trigger the issue of shares to the Commonwealth of Australia or a rights issue:

- a relevant event of default (discussed below) occurs in respect of a note issue and the trustee of the relevant notes gives notice to the Bank that the notes are immediately due and repayable;
- the most recent audited financial statements of the Group show a loss (as defined in the Agreements);
- the Bank does not declare a dividend in respect of its ordinary shares;
- the Bank, if required by the Commonwealth of Australia and subject to the agreement of the Australian Prudential Regulation Authority, exercises its option to redeem a note issue; or
- in respect of Undated FRNs which have been exchanged to Dated FRNs, the Dated FRNs mature.

Any payment made by the Commonwealth of Australia pursuant to its guarantee in respect of the relevant notes will trigger the issue of shares to the Commonwealth of Australia to the value of such payment.

The relevant events of default differ depending on the relevant Agreement. In summary, they cover events such as failure of the Bank to meet its monetary obligations in respect of the relevant notes; the insolvency of the Bank; any law being passed to dissolve the Bank or the Bank ceasing to carry on general banking business in Australia; and the Commonwealth of Australia ceasing to guarantee the relevant notes. In relation to Dated FRNs which have matured up to the date of this Programme Circular, the Bank and the Commonwealth of Australia agreed to amend the relevant Agreement to reflect that the Commonwealth of Australia was not called upon to subscribe for fully paid ordinary shares up to an amount equal to the principal value of the maturing FRNs.

- (d) AUD300 million Extendible Floating Rate Stock, issued December 1989:
Due December 2004: AUD25 million
Due December 2009: AUD275 million

The Bank has entered into a separate agreement with the Commonwealth of Australia relating to the issue set out in (d) above (the “Agreement”) which qualifies the issue as Tier 2 capital. For capital adequacy purposes Tier 2 debt based capital is reduced each year by 20 per cent. of the original amount during the last 5 years to maturity.

The Agreement provides for the Bank to issue either fully paid ordinary shares to the Commonwealth of Australia or (with the consent of the Commonwealth of Australia) rights to all shareholders to subscribe for fully paid ordinary shares up to an amount equal to the outstanding principal value of the note issue plus any interest paid in respect of the notes for the most recent financial year and accrued interest. The issue price will be determined by reference to the prevailing market price for the Bank’s shares.

Any one of the following events will trigger the issue of shares to the Commonwealth of Australia or a rights issue:

- a relevant event of default occurs in respect of a note issue and, where applicable, the trustee of the relevant notes gives notice of such to the Bank; or
- the Bank, if required by the Commonwealth of Australia and subject to the agreement of the Australian Prudential Regulation Authority, exercises its option to redeem such issue.

Any payment made by the Commonwealth of Australia pursuant to its guarantee in respect of relevant notes will trigger the issue of shares to the Commonwealth of Australia to the value of such payment.

History and Recent Development

The Auckland Savings Bank was founded in June 1847.

Following deregulation of the banking industry in late 1986, it became a full-service bank offering personal, corporate and business banking services and treasury operations, and changed its name to ASB Bank in August 1987. As a result of the Trustee Banks Restructuring Act, ASB Bank Limited was incorporated in August 1988.

ASB Bank became 75 per cent. owned by the Commonwealth Bank of Australia Group in February 1989, with the remaining 25 per cent. shareholding remaining with the ASB Bank Community Trust. The ASB Bank Community Trust is one of the country’s largest charitable trusts and holds property on trust for charitable, cultural, philanthropic, recreational and other purposes beneficial to the regional communities of Auckland and Northland.

In 1992 ASB Bank moved outside its traditional Auckland and Northland areas of operation and as at 30th June, 2002 had 119 branches throughout New Zealand.

On 30th March, 1999, the direct shareholding of ASB Bank Limited changed from Commonwealth Investments New Zealand Limited (75 per cent.) and ASB Bank Community Trust (25 per cent.) to being a wholly owned subsidiary of ASB Group Limited; ASB Group Limited then being owned by the Commonwealth Bank of Australia (75 per cent.) and the ASB Bank Community Trust (25 per cent.).

On 3rd October, 2000, the Commonwealth Bank of Australia purchased the remaining 25 per cent. of ASB Group Limited from the ASB Bank Community Trust.

Subscription and Sale

The Dealers have in an Amended and Restated Programme Agreement dated 26th September, 2002 (the “Programme Agreement”) agreed with the Issuers a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement for any particular purchase will extend to those matters stated under “Form of the Notes” and “Conditions of the Notes” above. In the Programme Agreement the Issuers have agreed to reimburse the Dealers for certain of their expenses. The Dealers are entitled to be released and discharged from their obligations in relation to any agreement to issue and purchase Notes under the Programme Agreement in certain circumstances prior to payment to the relevant Issuer.

The selling restrictions agreed between the Issuers and the Dealers are set out in a Schedule of Selling Restrictions dated 26th September, 2002 and are summarised below. The restrictions may be amended from time to time by agreement between the Issuers and the Dealers. In addition, the applicable Pricing Supplement may specify further selling restrictions agreed between the relevant Issuer and the relevant Dealer in relation to any Tranche of Notes. The selling restrictions are as follows:

United States of America

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 (the “Securities Act”) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by a dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Each issuance of Index Linked Notes or Dual Currency Notes will be subject to such additional U.S. selling restrictions as the relevant Issuer and the relevant Dealers may agree, as indicated in the applicable Pricing Supplement. Each Dealer has agreed that it will offer, sell and deliver such Notes only in compliance with such additional U.S. selling restrictions.

Each Dealer has represented and agreed that:

- (i) in relation to Notes which have a maturity of one year or more and which are to be admitted to the Official List, it has not offered or sold and will not offer or sell any Notes to persons in the United Kingdom prior to admission of such Notes to listing in accordance with Part VI of the Financial Services and Markets Act 2000 (the “FSMA”) except to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995 (as amended) or the FSMA;

- (iv) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom; and
- (v) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not, or in the case of CBA, would not, if it was not an authorised person, apply to the relevant Issuer.

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (the “Securities and Exchange Law”) and each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will not offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Securities and Exchange Law and any other applicable laws and regulations of Japan.

Australia

Each Dealer has represented and agreed that in connection with the distribution of each Tranche of Notes it:

- (i) has not offered and will not offer for issue or sale and has not invited and will not invite applications for issue or offers to purchase Notes in Australia, including an offer or invitation received in Australia; and
- (ii) has not distributed or published and will not distribute or publish any offering memorandum, advertisement or other offering material relating to the Notes in Australia, unless:
 - (a) the amount payable by each offeree or invitee for the Notes is a minimum amount (or the equivalent in another currency) of A\$500,000 disregarding amounts, if any, lent by the offeror or inviter or its associates, or the offer or invitation is otherwise an offer or invitation for which only limited disclosure is required to be made by virtue of section 708 of the Corporations Act 2001 of Australia; and
 - (b) the offer, invitation or distribution complies with all applicable laws, regulations and directives and does not require any document to be lodged with ASIC.

In addition, each Dealer has agreed that it will not sell Notes to any person if, at the time of sale the Dealer knew or had reasonable grounds to suspect that as a result of such sale, any

Notes or an interest in any Notes were being, or would later be, acquired (directly or indirectly) by an *associate* of the relevant Issuer within the meaning of Section 128F of the Income Tax Assessment Act 1936 of Australia.

New Zealand

Each Dealer has represented and agreed that:

- (a) it has not offered, sold or delivered and will not directly or indirectly offer, sell or deliver any Note; and
- (b) it will not distribute any offering memorandum or advertisement in relation to any offer of Notes,
in New Zealand other than:

 - (ii) in other circumstances where there is no contravention of the Securities Act 1978 of New Zealand.

Each Dealer has represented and agreed that it has not offered or sold, and will not offer or sell, any Notes to persons whom it believes to be persons to whom any amounts payable on the Notes are or would be subject to New Zealand resident withholding tax, unless such persons certify that they hold a valid certificate of exemption for New Zealand resident withholding tax purposes and provide a New Zealand tax file number to such Dealer (in which event the Dealer shall provide details thereof to the relevant Issuer or to a Paying Agent or to the Trustee).

General

No action (other than the approval of the Listing Particulars by the UK Listing Authority and the delivery of this Programme Circular to the Registrar of Companies in England and Wales) has been taken by the Issuers or any of the Dealers that would, or is intended to, permit an offer of any Notes in any country or jurisdiction where any such action for that purpose is required.

Accordingly, each Dealer has undertaken that it will not, directly or indirectly, offer or sell any Notes or distribute or publish any offering circular, prospectus, form of application, advertisement or other document or information in any country or jurisdiction except under circumstances that will result in compliance with any applicable laws and regulations and all offers and sales of Notes by it will be made on the same terms.

Without prejudice to the generality of the preceding paragraph each Dealer has agreed that, except as provided in the Programme Agreement, it will obtain any consent, approval or permission which is required for the offer, purchase or sale by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such offers, purchases or sales and it will comply with all such laws and regulations.

11 Australian Taxation

The following is a summary of the Australian taxation treatment, at the date of this Programme Circular, of payments of interest on Notes and certain other matters. It is not exhaustive, and in particular does not deal with the position of certain classes of holders of a Note (such as dealers in securities). Prospective holders of Notes should be aware that the particular terms on issue of any series of Notes may affect the tax treatment of that and other series of Notes. The following is a general guide and should be treated with appropriate caution. Holders of Notes who are in any doubt as to their tax position should consult their professional advisers.

References to ‘interest’ may include amounts in the nature of or in substitution for interest.

New regime for Notes issued by CBA after 2nd July, 1998

The requirements for obtaining an exemption from Australian interest withholding tax set out in section 128F of the Income Tax Assessment Act 1936 of Australia (the “Australian Tax Act”) for Notes issued after 2nd July, 1998 now include the following key features:

- (i) the issuer must be a resident of Australia when it issues the Notes and when interest is paid;
- (ii) the issue of the Notes must satisfy a public offer test containing five basic alternatives designed to ensure that lenders in overseas capital markets are aware that the issuer is offering Notes for issue.

Where practicable, CBA intends to issue Notes in a manner which will satisfy these requirements.

The public offer test

In summary, the alternatives to satisfy the public offer test are:

- (i) offers to 10 or more professional market financiers, investors or dealers who are not associates;
- (ii) offers to 100 or more potential investors;
- (iii) offers of listed Notes;
- (iv) offers as a result of negotiations being initiated via electronic or other market sources; or
- (v) offers to dealers, managers or underwriters who by agreement with the issuer offer the Notes for sale within 30 days by one of the preceding methods.

The issue of a global note by one of these methods will satisfy the public offer test.

Associates of issuer

The public offer test will not be satisfied if, at the time of issue, the issuer knew or had reasonable grounds to suspect that the Notes, or an interest in the Notes, was being, or would later be, acquired either directly or indirectly by an associate of the issuer (other than in the capacity of a dealer, manager or underwriter in relation to placement of the Notes).

Moreover, the section 128F exemption will not be available if, at the time of payment, the issuer knows or has reasonable grounds to suspect that interest in respect of a Note was to be paid to an associate of the issuer. The Conditions of the Notes provide that in these circumstances CBA will not be required to gross up interest payments.

Under the current law, the definition of associates in section 128F of the Australian Tax Act includes onshore associates, and offshore associates who are acting in the capacity of a clearing house, paying agent, custodian or funds manager. The Government announced on 29th August, 2001, its intention to amend the Australian Tax Act to remove such associates in section 128F. The amendment, if enacted would, according to the Government's announcement, apply to issues or payments of interest on instruments taking place after 29th August, 2001. The Taxation Laws Amendment Bill (No. 6) 2002 has been introduced into the Australian Parliament to give effect to this amendment.

ACCORDINGLY, NOTES ISSUED ON OR AFTER 30TH JUNE, 1997 MUST NOT BE PURCHASED BY ASSOCIATES OF CBA

As a result of the issue of global Notes, rights conferred by Euroclear or Clearstream, Luxembourg in relation to the Notes will be created in favour of the Noteholders. Interest includes an amount in the nature of, or in substitution for, interest.

Section 126 of the Australian Tax Act imposes a type of withholding tax at the rate of 47 per cent. on the payment of interest on bearer notes (other than certain zero coupon promissory notes) if the issuer fails to disclose the names and addresses of the holders to the Australian Taxation Office. Section 126 does not apply to the payment of interest on notes held by non-residents who do not carry on business at or through a permanent establishment in Australia where the issue of those notes satisfied the requirements of section 128F of the Australian Tax Act or interest withholding tax is payable. However, the operation of section 126 in relation to notes held in some circumstances is unclear. Section 126 will not apply in any circumstances if the name and address of the holder of the relevant notes is disclosed to the Australian Taxation Office.

There are specific rules that can apply to treat a portion of the purchase price of notes as interest for withholding tax purposes when certain notes originally issued at a discount or with a maturity premium or which do not pay interest at least annually are sold to an Australian resident (who does not acquire them in the course of carrying on trade or business at or through a permanent establishment outside Australia) or a non-resident who acquires them in the course of carrying on trade or business at or through a permanent establishment in Australia. Under current law, the exemption in section 128F of the Australian Tax Act does not apply to the deemed interest in

those circumstances. The Government announced on 29th August, 2001 its intention to amend the Australian Tax Act to extend the section 128F exemption to the deemed interest in those circumstances, in cases where the interest would have been exempt if the interest had been held to maturity. The amendment, if enacted would, according to the Government's announcement, apply to transfers taking place after 29th August, 2001.

The Commissioner of Taxation of the Commonwealth of Australia may give a direction under section 218 or section 255 of the Australian Tax Act and the Income Tax Assessment Act 1997 (Cth) or section 260-5 of the Taxation Administration Act 1953 or any similar provision requiring the issuer to deduct from any payment to any other party (including any holder of Notes) any amount in respect of tax payable by that other party.
